All Saints Parish, Brookline

with our "Green Energy Congregation" Award. All Saints Parish is the first congregation in the Commonwealth of Massachusetts to purchase 100% Green-e certified electricity from renewable resources for all of its facilities. In addition, All Saints Parish's congregants have bought more blocks of Green-e certified electricity for their homes than any other MIP&L member congregation. Thank you for setting a powerful example of environmental stewardship for the community of faith.
