Interfaith Power & Light

honors

Religious Witness for the Earth

with our "Intentionality in Witness" Award. On November 12, Religious Witness for the Earth organized an Interfaith Call for Repentance and Renewal at the United Nations in order to bear witness to the tragedy of global warming and to call upon the United States to rejoin the community of nations in seeking solutions. RWE encouraged participants to minimize their use of fossil fuels by carpooling or using public transportation. In addition, RWE encouraged participants to offset their own carbon use by purchasing "green tags". Thank you, RWE, for setting a powerful example of environmental stewardship for the community of faith.
