Interfaith Power & Light

honors

St. Paul's Church, Dedham

with our "Efficient Congregants" Award. The congregants of St. Paul's Church have requested more free home energy assessments (or "energy audits") than any other Massachusetts Interfaith Power & Light member congregation. In so doing, the congregants are modeling in their homes the quest for energy efficiency that St. Paul's Church has achieved in its own facility. Thank you, St. Paul's Church, for setting a powerful example of environmental stewardship for the community of faith.
