

# Massachusetts Interfaith Power & Light

*honors*

## All Saints Parish, Brookline

*with our "Greentags" Award. In 2002, All Saints Parish was the first congregation in the Commonwealth of Massachusetts to purchase 100% Green-e certified electricity from renewable resources for all of its facilities. All Saints Parish continues to purchase enough clean energy to offset all of its electrical usage. Thank you for setting a powerful example of environmental stewardship for the community of faith.*
