honors

St. Paul's Church, Dedham

with our "Greentags" Award. For the past two years, St. Paul's Church has purchased 100% Green-e certified electricity from renewable resources for all of its facilities. In addition, St. Paul's Church's congregants have bought more blocks of Green-e certified electricity for their homes than any other MIP&L member congregation in 2004. Thank you for setting a powerful example of environmental stewardship for the community of faith.
