Interfaith Power & Light

honors

St. Athanasius Parish, Reading

with our "Faith into Action" Award. St. Athanasius Parish joined MIP&L in 2005, and they continue to make strides toward greater environmental stewardship. They had an energy audit and Environmental Stewardship Report completed through MIP&L, and they are beginning to work on the recommendations of the report. Specifically, they are beginning to consider geothermal (geoexchange) heating and cooling, better controls, and ecologically friendly building materials. Thank you, St. Athanasius Parish, for beginning to put your faith into ecological action, and for hosting MIP&L's 4th Annual Meeting.
