Clean Water Action

with our “Public Awareness” Award. Clean Water Action is a national citizens' organization working for clean, safe and affordable water, prevention of health-threatening pollution, creation of environmentally-safe jobs and businesses, and empowerment of people to make democracy work. Together with the Massachusetts Climate Action Network and Massachusetts Interfaith Power & Light, Clean Water Action has undertaken a Public Awareness Campaign in the Commonwealth of Massachusetts, reaching out to let people know about the Clean Energy Choice program and their clean energy options. They are also encouraging and helping municipalities to use more clean energy. Thank you for your environmental leadership.
