Candy Dann

Candy possesses a rare combination of boundless energy, remarkable creativity and a warmth and patience that enables her to keep even those who may disagree with her, engaged in important topics related to the care of creation. At South Church, Candy was a founder of the Green Team and has been a co-chair ever since. She organized a series of well-researched presentations entitled: "Climate Change--Doing Something". Candy helped to promote Clean Energy Choice and to organize the Green Gifts for Christmas program, selling CFLs, cloth shopping bags, re-usable water bottles, and other items. As a member of the Andover Recycling Committee and the Andover/North Andover League of Women Voters, Candy has been a dedicated and effective advocate for improving recycling and waste reduction.

Thank you for your environmental stewardship.

Thomas E. Nutt-Powell
President

Signed on this twenty-eighth day of April, 2009.
