

Declaration of Intent

We are eager to become better stewards of the earth and to support the work of Massachusetts Interfaith Power & Light. We will work toward a coherent program of responsible stewardship of natural resources, for our congregation's facilities, in our congregants' homes and in our community.

Our financial pledge:

- \$50 for operating budget up to \$150,000
- \$150 for operating budget \$150,000 to \$350,000
- \$250 for operating budget over \$350,000

We Pledge To:

- Reduce and offset our greenhouse gas emissions
- Conduct an energy audit of our building(s)
- Buy clean electricity or adopt a renewable energy technology like solar or geothermal
- Educate each other on faith, conservation, energy efficiency & renewable energy
- Support public policies to fight climate change
